THE HISTORY OF THE
CITY OF BOSTON

From the first settlement of the
city in 1630 to the present time
the city has grown from a small
village to a large city. The
population has increased from
about 100 in 1630 to over
100,000 in 1880. The city
has become one of the most
important cities in the
United States. The city has
become a center of commerce
and industry. The city has
become a center of education
and culture. The city has
become a center of government.
The city has become a center
of religion. The city has
become a center of art and
science. The city has become
a center of everything that
makes life worth living.
